#### REPORT OF COMMISSION AS TO WEST TEXAS CONFERENCE CLAIMANTS.

At the regular session of the Texas and West Texas Conferences for the year 1907, a commission composed of T. S. Garrison, W. W. Watts, of the Texas Conference, and F. A. White and A. J. Weeks of the West Texas Conference, was appointed to confer with reference to certain conference claimants residing within the bounds of the Austin District, West Texas Conference.

The Committee met in Georgetown, Texas, May 30, 1908, all members being present, and, after careful and prayerful deliberations, the following resolution was unanimously adopted as a fair and equitable adjustment of the matter of issue:

We recommend:

1st. That Mrs. John Stovall, Mrs. R. J. Fisher and Miss Annie Whipple, now on the roll of the Conference Claimants of the Texas Conference, be transferred to the same roll of the West Texas Conference.

2nd. That the provisions of this resolution shall go into effect upon its adoption by the above named Conference.

T. S. GARRISON,

W. W. WATTS,

F. A. WHITE,

A. J. WEEKS,

Committee.

#### REPORT OF THE SECRETARY OF THE BOARD OF MISSIONS.

Your board of Missions submits this annual report in the spirit of gratitude to God for His leading and blessing in the past, and with unwavering faith in His leadership and blessing for the future. The Divine blessing has been abundant both in the home and in the foreign land. We have 281 foreign missionaries in our six foreign fields. We have also 111 native preachers, with a membership of 20,999—2,270 of whom were added the past year. Through the reports from recent episcopal visits we learn that our cause was never more hopeful among the heathen than now. The interest that is constantly growing in the church at home, is no less interesting. The intelligent interest that is everywhere being taken in missionary education

is not only a sign of life but a guarantee of success. This department under the leadership of Dr. Ed. F. Cook has already proven the wisdom of its inauguration. In this connection we urgently request every pastor to circulate "Go Forward," the most interesting missionary periodical of its class.

It is with unusual gratification that we note the well-nigh universal and enthusiastic uprising of the layman's missionary movement. No movement of the new century more fully demonstrates the vitality of the kingdom and its loyalty to Jesus. If the aim of this movement be realized in Southern Methodism by arousing of 500,000 laymen, the Kingdom of Heaven will be at the doors. They have wisely raised the battle cry of "a Million for Missions," and we believe they will succeed. We congratulate the laymen of the Texas Conference that they have intelligently planned their work covering the several districts of the Conference, and declaring their purpose to raise on their own account \$2,500.00 for the next year. It is hoped that every preacher in the Conference will do his best in sympathetic co-operation with these lay-brethren, and help them to an unqualified success.

Another important educational feature in our Missionary operations is the Midwinter Institute to be held at the Methodist Training School at Nashville, Tenn., January 1 to 10. \$20.00 pays for a scholarship in this Institute, and at the suggestion of our board at Nashville, we have nominated five brethren who we hope can attend this Institute. The brethren thus nominated are as follows: Reverends S. S. McKinney and T. R. Morehead, C. M. Simpson, H. M. Whaling, Jr., and J. Ed. Morgan. We also nominate the following reserves: Reverends Jesse Lee and F. M. Boyle and G. W. Davis.

This Conference joins the other Conferences in Texas in rejoicing over the successful planting of the immigrant port work at Galveston. A long neglected work has been successfully enterprised and is receiving the enthusiastic endorsement of the whole church. We report also the setting up during the year of a promising Italian mission in the City of Galveston. This mission is with the citizenship of Galveston; it is believed there are more than 2,000 Italians in Galveston, many of whom are of the better class of Italians. Rev. S. Panteleone is doing a good work among the Italians of that city. We ought also to have another Italian missionary under the employ of our Conference board, to set up work at Dickinson, a compact and densely settled Italian colony. There is a ripe field for a Bohemian missionary at Bryan, Texas, and this board ought to take steps to employ these additional missionaries at the earliest possible date. There are a few small colonies of Japanese that ought to receive some attention at our hands. At Houston as a center, with Webster, Terry and Mackay, we ought to begin an important Japanese work.

Your board has fixed the assessment for the Domestic missions at \$11,000 for the coming year. The foreign assessment remains the same as last year, \$10,000.00. These amounts have been distributed to the several districts. J. W. Madden has been added to the board in place of Professor H. C. Pritchett, deceased. The Board requests Bishop Candler to appoint J. B. Sears, Conference Missionary Secretary, without salary.

After due deliberation the Board has made the following appropriations for the year 1909:

## REPORT OF THE CONFERENCE BOARD OF EDUCATION.

**General Board.**—The report of the General Board of Education was before us, from which we learn that the total value of our educational institutions is \$11,916,667.00, and an increase in value over that of the preceding year of \$352,246.00. The number of buildings erected during the year was 43, at a cost of \$721,000.

We note that there has been a decrease in income from all sources of \$29,965.00. The total number of students shows a decrease of 1,011 over that of the preceding year. On the whole, it has been a year of varying prosperity with our institutions of learning. The General Board is seeking to impress upon the Church at large the vital importance of contributions of large sums to our educational institutions.

**Southwestern University.**—We note with pleasure the continued prosperity of our central institution, and take notice of the urgent need of additional professors and better equipment in order to do more adequately the work which the church demands.

1,057 students have been in attendance during the past year. At the opening of the present session, 14 units were demanded for entrance into the Freshman Class, being an increase of 7 units during the last ten years.

We desire to call special attention to the fact that 95 young men are in attendance preparing for the ministry. To more adequately prepare these young men for their work, the Board of Trustees at its last annual meeting established courses for Theological students. This

provides elective studies which young men preparing for the ministry may select during the years leading to the A. B. degree. One new professor has been added for this work. A Department of Education, and a Department of Bohemian have been added during the year.

**Mood Hall.**—We congratulate the church on the completion of Mood Hall, a dormitory costing \$75,000.00, and having a capacity to accommodate 200 young men.

We note with pleasure the growing success of our Medical School. The attendance is much greater than ever before. This property is worth \$75,000.00, and has an indebtedness of only \$11,500.00. The total assets of Southwestern University is \$592,358, while its total liability is \$95,074.00.

We recommend that Nathan Powell, Ellis Smith, Wm. Wiess and Cone Johnson be elected to succeed themselves in the Board of Trustees of Southwestern University. We recommend that Art. 6 of the Rules and Regulations governing the Board be so amended as to read "except that the Treasurer shall not necessarily be a member of the Board."

**Chappell Hill Female College.**—We note that this college has had one of the most successful years in its history. We recommend that Nathan Powell, S. F. Thornhill and J. E. Routt, be confirmed as Trustees.

**Alexander Collegiate Institute.**—The new building has been completed at a cost of \$50,000.00 and this institution is adequately housed. We recommend that J. T. Smith be appointed Financial Agent. We recommend that G. W. Riley and J. C. Cox be elected as Trustees.

**Secretary of Education.**—We recommend that E. W. Solomon be appointed as Conference Secretary of Education.

**Vacancies in Board of Education.**—We recommend the appointment of J. L. Pritchett, W. F. Packard, Geo. Sexton, J. L. Massey and J. B. Ramsey to fill vacancies in the Conference Board of Education. Vice H. C. Pritchett, S. R. Hay, I. M. Bryce, J. D. Ford and H. B. Smith.

**Appointment of Students.**—The Board recommends that the Bishop appoint Claude S. Harkey and J. N. McCain students to the Southwestern University.

**Forward Movement in State Education.**—In view of the fact that the Amendment to the Constitution of the State carried in the recent election, Resolved, that we commend the State's course in its efforts in the General Education of its citizenship.

**The Correspondence School.**—This school has grown to be a very important factor in our work. It now offers a total of 31 different courses. We recommend that all our under-graduates take the correspondence courses when at all practicable.

**Summer School of Theology.**—We commend to the preachers and laymen of this Conference the courses of study here offered.

**Assessments.**—We recommend the following assessments:

Educational Extension .....	\$1,755.00
Southwestern University .....	3,900.00
Theological Department of S. W. U. ....	1,000.00
Medical Department of S. W. U. ....	1,000.00
Summer School of Theology .....	200.00
Alexander Collegiate Institute .....	1,000.00

W. W. WATTS,  
President.

NATHAN POWELL,  
Secretary.

**REPORT OF THE CHURCH EXTENSION BOARD.**

The General Conference of 1882 authorized the Church Extension work and the following year it was organized and started on its career of usefulness as a compact and separate department of our church work. Before this sporadic and local help had been rendered in building and rebuilding churches. The great David Morton, D. D., was the inspiration and his the guiding genius which moulded the trial years of the department and so shaped its course as to win approval and success.

In these 26 years it has disbursed \$1,581,751.11 in donations to needy churches, besides its loans. But this does not tell the story of its usefulness. For every dollar so distributed has magnified itself, and sometimes with Bible measure, "an hundred fold." This has been possibly the churches it has saved from debilitating debt, and by the rapture and inspiration an outside gift has brought to many a struggling band of Methodists.

We suppose it is well known that half of the fund collected is kept and distributed by the Conference raising it; and that the other half goes to the General Board. However, we are allowed to apply for part of the general fund and our churches often receive part of that fund, too.

Church Extension is not so much "house-building" as it is "home building" for the soul, while it tarries and prepares for the "home over there." And it ranks in importance next to the family home. For without a "home" it is impossible to have a thoroughly organized and properly working church. There are no church houses "for rent," and school houses are totally inadequate; so we must build churches or we die. That is, the house is a necessary, not an incidental, part of our Lord's kingdom in this age.

In spite of the fact that we are so near to the great pine forests of East Texas, and consequently can build cheaply, yet your Board finds itself literally swamped with applications and deplorably short of funds to fill the needs of the Conference.

We have received applications to the amount of \$6,215.00 this year and have had only \$2,699.08 to distribute. This is painful to us.

If the Texas Conference should contemplate a forward movement in the organization of new churches and the building of houses consequent thereon, we would be utterly unable to cope with the situation on the present basis of collections. For, bear in mind that in these six years of the "greater Texas Conference" there has been no net increase of preaching places in the Conference and very small increase in the number of church houses. We have lost as many old houses as were built new ones in new places.

The Loan Fund on March 31, 1907, had reached the sum of \$238,668.68 and is steadily increasing. This money is loaned at 4 per cent interest and relieves many a difficult situation. It is especially helpful with that class of churches which we are now building in our towns and cities.

Although the Texas Conference has received much benefit from the fund. It has contributed but \$15.85 to it, plus \$128.48 on Loan Fund Day of this year. Total, \$144.33. In our humble judgment the time has come to wipe out this discreditable record and to do our duty toward the Loan Fund.

We commend Dr. W. F. McMurray, Corresponding Secretary, in furthering the work of Church Extension so zealously. Under his administration both collections and loan funds have increased rapidly, and interest in the cause deepened. Specially worthy of note is his work in the new and difficult field of the Oklahoma Conference. We

commend the "Church Extension Hand Book," issued by the General Board through the Secretary. The information it contains is just such as the church needs on the subject, and the cuts and floor plans of churches are helpful and educating.

We call your attention to the work of the General Board: (1) In its struggle to build a suitable church in Washington City. We are sorry the necessary amount cannot be secured at once. This undertaking must get on the hearts of Southern Methodists so heavily that they will make possible the erection of the house at an early date. (2) We call your attention to the "Birthday Offering" from the Sunday schools for building in Oklahoma. This received the sanction and co-operation of the Sunday School Board. Yet our Conference applied for only six jars this year. We hope for better things. (3) Loan Fund Day was observed by only ten of our congregations and only \$128.48 was secured. This is a very poor showing, indeed. (4) At the suggestion of the General Board we have elected C. B. Garrett delegate and F. M. Boyles alternate to a proposed conference of delegates from all the Conference Boards, which is expected to deliberate on systems and methods of work. It will probably meet in January.

#### UNIVERSITY CHURCH, AUSTIN

Whereas, We regard the building of the University Methodist Church at Austin a matter of statewide importance in order to care for the spiritual interests of 500 Methodist young men and women from all parts of Texas now attending the State University and the multiplied thousands who will go there during the years to come, and

Whereas, It is of the utmost importance that this great enterprise be carried to a speedy completion

Therefore Be it Resolved: 1. That this Conference does hereby set aside the second Sunday in March as University Church Day, on which day our pastors shall present the claims of the University Church and take an offering for the same to be credited to their respective charges as a special for Church Extension.

2. That in case inclement weather or other untoward circumstances prevent this cause being properly presented on the given day that it be presented as soon thereafter as practicable.

3. That our preachers open their pulpits to the pastors of the University Church or his representative whenever they can conveniently do so.

#### REPORT OF SUNDAY SCHOOL BOARD.

Your Board notes with pleasure the general prosperity of our Sunday School work as indicated in the report of the Sunday School Editor. We find an increase of 63 schools, 2,517 officers and teachers, and 43,121 pupils. The gain in the circulation of our literature is 69,240 copies of our various periodicals. Financially our sales show an increase of \$23,098.17—the total being \$225,818.01. The report contains the statement "That many of our churches evidently have not yet been brought to an adequate realization of the importance of Children's Day," we beg to call the attention of our pastors and superintendents to the necessity of this day being more generally observed.

Your Board desires heartily to commend the work of our Sunday School Editor in his efforts to inaugurate movements looking to the improvement and extension of our Sunday School work, especially that concerning teacher training.

Without having the complete statistics before us, we are gratified to note from the reports on the Conference floor, that this work is on the hearts of our pastors and that much progress is being made both in the efficiency of our schools and in numbers.

In view of the gratifying results manifest through the work of the State Methodist Sunday School Conference, your Board increases the appropriation to \$100.00. C. J. Oxley and W. M. Stone were appointed to represent our Conference on the Executive Committee of the State Conference which is to meet at Waco, Texas, in January, 1909.

Your Board having received a communication from the Northwest and North Texas Conferences as to the "Federations of Adult Classes" have taken the matter under advisement.

Your Board begs to call your attention to the following resolutions:

Whereas we believe that the time has come in this Conference when the Sunday School work requires the appointment of a man, who shall devote his whole time to the furtherance of our Sunday School interests, Therefore be it resolved, That we request Bishop Candler to appoint a man to this work to be known as the Sunday School Secretary of the Texas Conference.

Second: That we recommend Rev. C. J. Oxley as the man for this place and respectfully ask his appointment.

Third: That this Board appropriate \$1,400 for salary of said Secretary and also pay his traveling expenses.

Fourth: That the duty of the Secretary shall be to travel throughout the Conference, to present this work with the co-operation of the Presiding Elder and pastors, hold Sunday School institutes, distribute literature, etc.

Fifth: That all collections and other contributions received by the Secretary shall be forwarded to the Treasurer who shall pay his salary and traveling expenses monthly.

#### REPORT OF EPWORTH LEAGUE BOARD.

We note with pleasure that our General Secretary reports the most prosperous year in the history of the Epworth League of our church. He reports a considerable increase in the membership and a marked improvement in the efficiency and activity of the individual chapters.

We rejoice that the League is contributing so largely to the cause of Missions and that the grace of giving is becoming a fixed custom of the young people of our church. To increase this noble work we urge the importance of the Mission Study Classes.

We commend the literature of the League which is all rich and wholesome. We call special attention to Epworth Era, which continues to hold a strong place in the affections of our young people and the membership of our church at large. Important mechanical improvements have been made on the paper during the past year, so that its typographical appearance is well nigh ideal.

We heartily commend the League Encampment idea, and especially our own Epworth-by-the-Sea. We rejoice that while it is a great pleasure resort, this is not the leading feature of the encampment. It is a spiritual uplift to all that attend and a means of new life to the churches represented. It is the opinion of this Board that no more helpful work is being done in our church. Our young people

go singing songs of praise and come back with a broader vision of life and a greater determination to be useful in the kingdom of our Christ. The management has secured a number of distinguished speakers for the next meeting. It bids fair to be the best in the history of the encampment. We therefore urge that our preachers and people do all in their power to secure a good attendance.

We rejoice that the encampment has already resulted in many volunteers for mission work. Some of these are preparing for this work, but a great many of them have been unable to equip themselves and have given it up. This we very much deplore. We hope soon to have a summer school in connection with the encampment for the purpose of training such volunteers.

We note that Tyler, Beaumont, Pittsburg, Jacksonville and Houston districts are organized in the District League Conferences, and that Tyler, Pittsburg and Beaumont held successful meetings during the past year. It is the opinion of this Board that in order to secure the greatest results from our League work we must depend upon the District League. We therefore urge that a District League Conference be organized in each District that is not so organized. And would respectfully request that each Presiding Elder appoint a District Chairman whose business it shall be to organize such League Conferences. We further urge that all our preachers and laymen do all in their power to encourage the District League.

We nominate H. M. Whaling, Jr., G. H. Phair and Tom C. Swope to fill vacancies in the Board.

Respectfully submitted,

CHAS. A. HOOPER, Chairman.

H. T. CUNNINGHAM, Secretary.

J. C. HUDDLESTON, Sec. pro tem.

#### REPORT OF COMMITTEE ON BIBLE CAUSE.

Your Committee on Bible Cause is pleased to note that the American Bible Society has closed another year of successful endeavor in laying the foundation of Christ's Kingdom throughout the world. We are especially pleased to learn of its establishment in the home field of agencies similar to those already established in the foreign field, and its plans for enlarged work among the foreign speaking people of our own land. The Rev. Glenn Flinn, Secretary for the Southwest, reports that he has been employing seven native workers among the Bohemians, Italians, Mexicans, Indians and French of his territory, and that these have been distributing over 700 copies—or parts—of the Bible monthly.

We are sorry to note, however, that there was a decrease in the receipts of the Society last year of legacies of over \$100,000, and that there has been a decrease in its general receipts also this year up to date.

**Note.**—(This is all of the report that the Editor has been able to secure.)

#### REPORT OF ORPHANAGE BOARD.

After years of unremitting and faithful work, Rev. W. H. Vaughan has tendered his resignation as manager of the Orphanage and has been assigned to another field of labor. But he leaves behind him, in the City of Waco, a monument that will perpetuate his memory

and continually remind us and generations to come of his consecrated life and duty well done. For when he took charge of this work there was not one acre of land nor a single dollar in sight. He leaves behind two large brick buildings, well furnished, on 28 acres of land, a house for the manager on 9 acres of ground adjoining the Orphanage property, and 173 acres farm on the Bosque river, two miles from the Orphanage, partly meadow, partly a pecan grove and the rest in cultivation, and not one dollar indebtedness. He leaves in the home 112 children, while about 400 have gone out from this magnificent institution to bless and brighten other homes, and to make the world better. He leaves behind a fine school which is doing excellent work. We thank God for his life and for the work that he has been permitted to do in His name.

The Board of Directors were wise and fortunate in the selection of his successor, for Rev. J. H. McLean, D. D., has demonstrated his ability to conduct great enterprises in many important places of trust. And your committee believes that he will carry forward and strengthen the work that has been projected to greater efficiency and usefulness. We bespeak for him your prayers, cordial support and co-operation. The Directors request that our assessment be placed at the same figures as last year, \$2,500.00; and that this amount be collected and placed in the hands of our Conference Treasurer not later than January 1st, 1909. Therefore, your board recommends that Sunday, December 20, be set aside as Orphan Home Day, for the purpose of raising our orphan assessment. We urge all of the pastors to observe this day. If we fail to raise the assessment by January 1st, it will necessitate the securing of this amount by loan and the money of the children will be used not for food and clothes, but for paying interest on the amount borrowed. Every dollar assessed against this Conference is needed for the actual maintainance of the home, and we cannot afford to take any part of it for the payment of interest. It is the earnest wish of the manager that the Woman's Home Mission Society continue to send, as in the past, boxes of clothing and, in fact, anything that makes for the comfort and convenience of a well regulated home. Clothing is needed for children from one year old and up, and for both sexes.

Respectfully submitted,

W. L. PATE, Chairman.

CHAS. U. McLARTY, Secretary.

#### REPORT OF COMMITTEE ON BOOKS AND PERIODICALS.

Since no church can not project great interests or conserve them without a system of literature represented by periodicals and books, we beg to submit the following report concerning our own:

In committee we have reviewed with as critical exactness as the time would allow. the issues our presses are sending out to our people and the world at large, and we find a class of literature equal to the best.

The Texas Christian Advocate is improving in the excellence of its literary output and its mechanical form. Dr. Rankin, the editor, is sending out to our people a paper which constitutes the pastor's most faithful co-adjutor and our people's best informant concerning the principles for which we stand. It gives us faithful reports from the pastors' fields of labor, where the Lord is winning victories which gives courage to the faltering and hope to some who might despair. We commend it for the foregoing facts, also because the enemies of civic righteousness stand in dread of its faithful exposition of truth.

The Christian Advocate, our central organ, will not suffer by comparison with all or any papers of its class sent out by any church, but rather this by comparison it will grow in the esteem of just criticism. It is loyal to all our connectional interests. It is maintaining, if not improving, the high standard to which its present editorial management has brought it, in its literary and mechanical form. It appeals to all our pastors and people, and it justly deserves a place in every home of Southern Methodism.

The Epworth Era, issued especially for the benefit of our young people, yet well adapted in its field for the old as well, is meriting the patronage of every Epworthian. It is one of the most excellent reinforcements in the devotional department, giving every member such hints, suggestions, and treatment of various weekly subjects as will bring out the best in our young people's devotional exercises. Its literature is permeated with the best thoughts and it will awaken laudible ambitions in the hearts of the young. None can read it studiously without being prepared for work in any of the departments of our Epworth chapters. It is a necessity to the pastor who is in sympathy with the work. Drs. DuBose and Parker are giving us a paper for our young people which appeals to every boy and girl who hopes to be intelligent Epworthians. While its subscription list is growing it will not have accomplished its object in full until it is in every Epworthian's hands.

The Review: It would be difficult for us to exaggerate the excellence of this great periodical. Dr. Gross Alexander improves upon every issue. The Mantle of Bishop Tigert has fallen upon a competent successor. The contents of the Review are all that could be desired in arrangement and in the diversity of subjects treated from time to time. It will be difficult for the preacher to know what books are best to go in his library without reading its editorial criticisms. Every preacher ought to take it, any single issue of 1908 is worth the annual subscription price.

Our Sunday School literature for the past year has reached its highest standard. Every factor required to build a first-class system of Sabbath School literature has been made to do duty in the most successful manner. From the Teachers' Magazine down to the primary series, no treatment of the lesson can be simpler or more suggestive and informing. With such helps, every teacher may be equipped to do the best work. Dr. Chappell is doing a great work for the church, and has demonstrated his fitness for that work as well as his wisdom in the selection of those upon whom the success of the work depends.

In this day of so much unsettled theological thinking we respectfully request the editors of all our religious journals to be explicit in their utterances and true to the fundamental teachings of our church so as not to be misunderstood.

We are pleased to report that our publishing house at Nashville, Tenn., and the branch house at Dallas, Texas, have increased their volume of business beyond any former year, and that the promise for a still larger increase in their business is more evident than ever before. We most heartily commend all our publications, they are ours, the institutions of our church, we should support them with our patronage as each one equally appeals to every loyal member of the church.

We would respectfully request Bishop Candler to assign Rev. J. E. Green to the duties of field editor of the Texas Christian Advocate.

J. B. TURRENTINE, Chairman.  
G. V. RIDLEY, Secretary.

**REPORT OF COMMITTEE ON SPIRITUAL STATE OF THE CHURCH.**

The church, just as an individual, is known by its fruits. According to this test the spiritual state of the church in the bounds of the Texas Conference is good. From the reports of the presiding elders and pastors we gather that the revival spirit has prevailed throughout the Conference to a marked degree, every district having been visited with gracious revivals, and the charge that has not been blessed with a revival is the exception. As a result there have been many conversions and 5,461 accessories to the church on profession of faith. By certificate, 3,870. Total, \$9,331. We note also with pleasure that in many places the building spirit has prevailed and many churches and parsonages have been erected. In this connection we note also that many church debts have been liquidated, some of them of long standing.

The reports on Sunday Schools and Epworth Leagues show marked advance in these important departments of the church.

Another evidence of progress is found in the liberality of our people in salaries, and their ready response in supporting the benevolent and missionary institutions of the church. Without doubt, the missionary spirit is growing, and this is always evidence of increased spiritual life and a broader view of the kingdom of our Lord.

We hail with delight the advent of the laymen's movement, and believe it marks the dawn of the brightest day the church has ever known. We believe the advance of the church from this time forward will be more rapid than ever before.

This rapid review leads your committee to express the deliberate opinion that the spiritual condition of the church is not only good, but very good, and the future is full of hope and bright with promise. We thank the great Head of the church for His goodness and with strong faith pledge ourselves to push the battle more earnestly for the advance of the kingdom than ever before.

Respectfully submitted,

I. F. BETTS, Secretary.

**REPORT OF COMMITTEE ON SABBATH OBSERVANCE.**

It is impossible to overestimate the importance of the Christian Sabbath. As an institution it is hoary with the frosts of centuries being co-existent with the race of man. It has been the subject of

civil legislation from age to age. Around it has been thrown the majesty of divine law, and the preservation of its sanctity has ever been essential to man's security and happiness. Under the Jewish theocracy its violation was visited by the infliction of a divinely prescribed penalty that its sanctity might evermore be preserved. Yet, in the judgment of your committee, the laws of our State are inadequate for its protection, and it is to be feared lest this holy day shall give way to the Continental Sabbath—of pleasure, frolic and dissipation. The greed of gain on the one hand, and the love of pleasure on the other, are setting at naught the noblest sentiments of our commonwealth. We believe that we voice the sentiment of all good citizens, regardless of creed, when we say that the time has come to rise up and put an end to such disregard of our holy Sabbath as is manifest in so many dreadful forms. To this end we wish to commend the Sunday League of America for its great work, and the lofty principles for which it stands. We note with pleasure the appointment of Rev. R. C. Armstrong, of the Northwest Texas Conference as Assistant Secretary of said League for the specific purpose of securing such an amendment to the laws of our State as will protect the sanctity of our Christian Sabbath. We pledge to him, and to its Secretary, the Rev. Dr. Edward Thompson, our earnest co-operation in their work on behalf of the Sunday League, and we herewith submit the following resolutions:

First: That we join our sister Conferences, and any other religious bodies, or individuals, in petitioning the ensuing Legislature of this State to so amend the Sabbath law as to prevent such desecrations as opening the gates of Dallas and San Antonio Fairs, and such flagrant violations as are practiced in Galveston; Sunday baseball and football, together with theatrical exhibitions, horse and automobile races, and such like on God's holy day.

Second: That we include in our petition a law forbidding all Sunday excursions; or, should such a law fail of its enactment that we require all public carriers who give special rates on the Sabbath to give a like rate on some day of same week.

Third: That we hereby pledge ourselves to preach on the subject, circulate petitions, or take any other worthy course in order to effect the legislation herein contemplated.

Fourth: That we discourage railroad and boat travel, buying and selling, pleasure seeking and all else that does not tend to make the Sabbath a day of rest and worship.

Respectfully submitted,

M. I. BROWN, Chairman.

S. S. McKENNEY, Secretary.

#### REPORT OF COMMITTEE ON DISTRICT CONFERENCE RECORDS.

Your committee reports that it has examined the records of all the District Conference proceedings with the exception of the Tyler District meeting, the book containing that record having been lost in transmission. The state of these records is as follows:

**Calvert District.**—The minutes are neatly written and have marginal catchwords indicative of purport of the paragraphs. There is the occasional use of figures for numbers, and the minutes lack the signature of the presiding elder.

**Huntsville District.**—This record is well kept in the main, but several erasures mar the beauty of the page. The signature of the presiding elder is lacking.

**Brenham District.**—The penmanship and style of this record are all that could be desired. The orthography is occasionally incorrect and the subject and predicate do not always agree in number. This record is not signed by the Presiding Elder.

**San Augustine District.**—The record is neatly and carefully kept.

**Jacksonville District.**—The record is without fault.

**Houston District.**—This record is neatly kept and shows that the business of the Conference was conducted as the Discipline directs.

**Beaumont District.**—The record is neatly written and accurately expressed.

**Pittsburg District.**—The record is very neat and has an accurate marginal index. The spelling does not always conform to usually accepted standards, and there is a promiscuous use of capital letters.

On the whole the committee finds that the minutes of the Conference are full and complete, and that admirable care has been exercised in the preparation of the records.

H. T. CUNNINGHAM, Chairman.

S. W. KEMERER, Secretary.

#### REPORT OF COMMITTEE ON TEMPERANCE.

Your Committee on Temperance views with pleasure the continued progress of this cause, not only in Texas, but throughout our entire country and the world. The majority of the voters of the dominant party in Texas have already declared in favor of the submission of a Prohibition amendment to the vote of the people and the next legislature will have to pass on this question. The evident policy of the liquor dealers and their managers is to eliminate the ministry as active participants in the fight. The church of Jesus Christ and Her leaders will absolutely refuse to be eliminated from any fight in which humanity is so deeply interested and its issues so vital. The slogan should be "On with the battle!"

Therefore, Be it Resolved, first, That we memorialize the next legislature to obey the will of the people as expressed at the ballot-box and submit the question of a constitutional amendment to a vote.

Resolved, secondly, That we commend the work of the Anti-Saloon League and pledge to its superintendent, the Hon. Sterling P. Strong, our heartiest co-operation.

Resolved, thirdly, That we commend the action of our Board of Control with reference to the course to be pursued by the Texas Christian Advocate and commend the editorial utterance on this subject of Dr. G. C. Rankin.

Resolved, fourthly, That we commend the "Home and State," and call on our people to assist in its circulation as the organ of the Temperance movement in Texas.

Resolved, fifthly, That as Methodist ministers and laymen we are enlisted for the war and will never be content until the liquor traffic is outlawed in our State.

We hereby nominate as our representative on the Board of Control of Anti-Saloon League in Texas, Revs. J. W. Moore, W. W. Watts and Hon. Cone Johnson.

NEW HARRIS,

C. J. OXLEY,

J. W. MILLS.

### REPORT OF THE COMMITTEE ON THE LAYMEN'S MISSIONARY MOVEMENT.

This is pre-eminently the age of opportunity and we are glad to know that the success of the Laymen's Missionary Movement grows brighter every day. We realize the responsibility the church has laid upon us, together with the grand opportunity it affords the Laymen of our great church to do their whole duty to their God and their church, and thereby accomplish great good in this age of great things. Most business men are not avaricious; they are ambitious; sometimes selfish and cruel, but often are men of visions and willing to take part in large undertakings. There is in this movement an inspiration of great things and a forward movement for the church, and if its object is properly presented the average layman will take some part. We are glad to know the movement has the hearty endorsement of our great church, which will, of course, carry with it the hearty co-operation of both Presiding Elder and Pastor. It is a deplorable fact that a very large majority of our laymen know absolutely nothing about our conferences. We are persuaded that a great deal of good can be done educating our laymen along this line. We regret the fact that a few laymen, in a large majority of our churches, do all the work. We want it known that the prime object of this movement is to get every layman, in each church, to do his part of this great work. This can not be accomplished, however, without systematic effort and co-operation. Our object this year is to thoroughly organize this Conference, with a leader for each district; a church leader for each church and a committee for each congregation, and through personal work and distribution of literature, relative to this movement, hope to see it, that every pastoral charge within the bounds of the Texas Conference sends a better report to our next Annual Conference than was had at this. In order to get the results above mentioned we must be able to get facts and figures, and will ask all Presiding Elders and Pastors to see to it that all literature sent to them during the year gets into the hands of the proper persons, and that prompt answers are made to all letters pertaining to this movement. We are planning for an early meeting of the district leaders; also a meeting during the year where all the laymen in the Conference will meet and discuss matters pertaining to church work.

Brethren, pray for the presence of the Holy Spirit in the movement, that we may be given a vision of present opportunities, and make us each to know the measure of his personal responsibility.

M. D. FIELDS,  
For the Committee.

### HISTORY OF METHODISM IN TEXAS.

Pursuant to a call made through the Texas Christian Advocate, a number of ministers and laymen of the M. E. Church, South, and representing all the conferences within the State, except the Mexican border, met at Austin Avenue Church, Waco, October 15, 1908, to consider the wisdom and feasibility of preparing and publishing a history of Methodism in Texas.

The meeting was organized into a temporary historical association, by electing John H. McLean, president, and C. C. Cody, secretary, looking to a more permanent organization of the association, through the approaching annual Conferences.

After due consideration the following paper was adopted, and recommended to the several patronizing conferences for adoption.

Whereas, the sacrifices and services of the fathers and founders of Methodism in Texas, are worthy of grateful recognition and permanent record, as a just and loving tribute to their memory as benefactors of church and State, and an inspiration to their successors, and,

Whereas, more than seventy years have elapsed since the first accredited missionaries of our church entered the Republic of Texas, in the persons of Ruter, Fowler, Alexander and others, and,

Whereas, but few are now living who are contemporary with the pioneers of Methodism in Texas, and these sources of personal knowledge of the facts and factors of early Methodism are fast passing away, and,

Whereas, we are one in State, one in church, one in history, and this oneness should be fostered and maintained as far as practicable, therefore,

Resolved (first), That we respectfully solicit the co-operation of the several annual conferences of the M. E. Church, South, within the State of Texas, in collecting and putting in typewritten form as early as practicable, at least so much of the history as relates to the introduction and progress of Methodism prior to the Civil War and through that period to the days of re-construction, provided this shall not be construed as discouraging to the prosecution of the work to any later period.

Resolved (second), That in pursuance of the foregoing resolution, each conference is requested to appoint one or more persons to collect and prepare historical data pertaining to the period indicated, and within the territory and scope of the conference, without trenching upon the prerogatives of other conferences.

Resolved (third), That for the sake of uniformity, a general committee composed of two ministers and two laymen from, and appointed by, each of the four larger conferences, and one minister and one layman each from the German and Mexican Border conferences, be constituted and authorized to outline the general plan and scope of the proposed history, and to these general instructions, due regard shall be had by those appointed by the several annual conferences, to collect and prepare data for said history.

Resolved (4th), That to this general committee of twenty (20) (eleven being a quorum for the transaction of business) shall be committed the duty of providing a constitution and by-laws for the government of the Historical Association, the election of an editor or editors, who shall be under their general direction, and to provide ways and means for meeting all expenses incurred in preparing, editing and publishing said history, provided said general committee shall have no power to involve an annual conference in any expense, without the authority of the Conference.

Resolved (fifth), That we recommend the formation of a general Historical Association, to be composed of members of the patronizing conferences and others so desiring, and that the annual dues be fixed at \$1.00 per member, provided said dues shall not be continued longer than five years, and provided further that said dues shall be used in defraying all necessary expenses involved in the collection and preparation of data for the proposed history.

Resolved (sixth), That Dr. J. H. McLean be appointed as the general agent of all the conferences, to supervise and assist in the collection and preparation of data for said history.

Resolved (seventh), That this paper be presented to each of the

six annual conferences within the State at its approaching session for official action, and in case of approval, the conference be requested to comply with the provisions of this paper, in the appointment of suitable persons to collect historical data appertaining to that conference, and the appointment of those who are to serve on the general committee, as herein provided.

(Signed)

JNO. H. McLEAN, President.

C. C. CODY, Secretary.

To the Bishop and Members of the Texas Annual Conference:

We, your committee appointed to consider the foregoing paper, recommend that our Conference heartily endorse this movement, and nominate J. B. Turrentine, H. M. Whaling, Jr., D. H. Abernathy and J. L. Pritchett, members of the committee provided for in Resolution third.

I. ALEXANDER,

L. M. FOWLER,

J. B. TURRENTINE.

Resolved: That E. L. Shettles be requested to act in concert with the ministers and laymen selected by the conference for collecting and tabulating the data necessary to the writing of a correct history of Texas Methodism, and that he have full authority to act with the Executive Committee.

L. M. FOWLER,

J. B. TURRENTINE.

**Resolution Concerning Bishop Ward.**

Resolved, That it is with gratitude to God that our beloved Bishop Ward has been under the divine care during his recent trip to the Orient, and that he returns to us strong in body, mind and faith to give the church the benefit of his observation while in discharge of his duties. We are truly grateful for the kind manner in which we have been entertained, and the cordial welcome we have everywhere received. We shall carry away with us, a high appreciation of our Beaumont friends, S. R. Hay, E. L. Floyd, who have labored unremittingly to supply our every want, and have seemed to vie with each other as to who could be most serviceable to us."

We are specially grateful to Bishop Candler for his kind, pleasant and wise presidency of this Conference, and who has delighted us with his untiring efforts to give attention to the most ordinary detail with patience and careful thought. His godly advice, his wise counsel and his inspiring sermons will remain precious memory in our hearts.

That the Presiding Elder of each district be required to furnish the Secretary, as early in the year as he can, an official copy of the assessments made for the Conference collections by the districts stewards, against each district, including the assessment for the Presiding Elder and preacher in charge, and these assessments shall be copied by the Secretary in the statistical tables of the Conference, and shall be official.

Resolved: 2. That when, owing to the division, or for other cause, any changes are made in the assessments of a charge, as first made, the Presiding Elder shall report the change at once to the Secretary, so that he may make the correction in the tables.

## MEMOIRS

### MEMOIR OF REV. JOHN PIERCE SKINNER.

J. P. Skinner was born in Butler County, Ala., May 8, 1848, converted when 8 years old, joined at once the M. E. Church, South. He was considered from his youth up a good man. He was called early in life to the ministry. He was licensed to preach by the Quarterly Conference of the Pleasant Hill Circuit, Wetumka District, Alabama Conference, Aug. 6, 1868, Rev. D. M. Hudson, P. E., was ordained Deacon by Bishop Pierce at Corsicano Texas, November. 1875. Was ordained elder by Bishop Kay at Brenham, Texas, Sept. 18, 1886. Was admitted on trial in Texas Conference at Austin, November, 1891. He served the following charges: Lexington, four years; Bellville, four years; Cold Springs, one year; Millican, four years; Pyburn Mission, one year; Wheelock, two years; Travis, one year, and was returned 1907 for the second, but was unable to render any service, having taken seriously ill on his return home from Conference.

Bro. Skinner served two years in the Confederate Army. He was a good citizen, soldier, husband, neighbor, a faithful local and traveling preacher. The last six months of his life was that of great suffering, but he bore it heroically, never complaining. His last words before going to the better world, to his heavenly home, was "The light is breaking."

### MEMOIR E. S. SMITH.

Ethelbert S. Smith, D. D., was born in Henry County, Ga., June 28, 1828. In 1838, in Chambers County, Ala., he was soundly converted, and joined the Methodist Church, living a devoted and loyal member of it till his death. He was licensed to exhort in 1847, and to preach in 1849, by Rev. J. Hamilton. He was admitted on trial into the traveling connection at Marion, Ala.; in December, 1852, Bishop Capers presiding, and was ordained deacon at Montgomery, Ala., by Bishop James O. Andrews in 1860, and was ordained elder by the same bishop at Columbus, Miss., 1862.

After being admitted into the Alabama Conference in 1852, he traveled two years, and then on account of failing health, was discontinued. He was again admitted into the Alabama Conference in 1860, and served the following charges: 1861, Hanover, Miss.; 1862, Fayetteville Circuit; 1863, Fayetteville Circuit; 1864-5, Harpersville Circuit; 1866-7-8, Snow Hill Circuit; 1869 Lounsboro; 1870-1-2, Tuskegee Station; 1873-4, Prattville Station. In 1875 he transferred to the Southwest Missouri Conference, and then to the Texas Conference. In 1876 had charge of the Huntsville Female College; 1877, Bryan Station; 1878, Brenham Station; 1879-81-82, presiding elder of Austin District; 1883, Brenham Station; 1884 Bastrop Station; 1885-6, St. John's, Galveston; 1887, Huntsville Station; 1888, supernumerary; 1889, Huntsville District; 1890-1-2, Austin District; 1893-4-5-6, superannuated; 1897-8, Hotchkiss Memorial, Austin; 1899, Conference Missionary secretary; 1900, Franklin Station; 1901-2-3-4, Austin District; 1905-6-7-8, superannuated. In 1902, the General Conference made changes in the Conference lines in Texas and the Austin District, of which he was presiding elder, fell into the West Texas Conference. He served out his quadrenium on that district, and then transferred back to his old Conference, where he found a warm welcome.

On March 14, 1908, he passed to his reward, and his remains were taken to Huntsville, Texas, for interment, where Bishop Ward, assisted by Rev. E. W. Solomon and Rev. C. L. Farrington, conducted the funeral services, and a large concourse of people followed his body to its last resting place.

Thus passed away a great leader in Methodism. You will see in the above list of appointments just where he was directed to lead, and the record shows that he lead well. He was chosen several times by his Conference to represent them in the General Conference, and no man ever served the Church with more fidelity than this man of God.

#### MEMOIR OF REV. D. F. C. TIMMONS.

Rev. D. F. C. Timmons was born April 11, 1847, in Corinth, Heard County, Ga. He was the youngest of seven sons. His parents were Rev. William and Mary Butler Timmons.

From a child he knew the Holy Scriptures, and in his boyhood he read the best books, constantly increasing his stock of valuable knowledge.

In his youth he was convicted of sin. Yielding to this conviction he sought Christ and was soundly converted and joined the Church of which he was ever a faithful and loyal member.

He joined the North Georgia Conference on trial in 1875.

After a few years of labor in his native State as teacher and preacher, in 1886 he was transferred to the Texas Conference and stationed at Shearn Memorial in Houston Texas; in 1888 he was transferred to the East Texas Conference and stationed in Tyler. He filled the following appointments with efficiency and acceptability: Palestine, Marshall, Texarkana and Pittsburg. In May, 1903, while serving Pittsburg he was stricken with paralysis and his labors as an itinerant preacher ceased, and at the ensuing annual Conference he was granted superannuated relation, which he sustained until his death, which occurred Aug. 16, 1908.

Brother Timmons was loved by the members of the pastoral charges he served and enjoyed the love, confidence and respect of his ministerial brethren. As a gentleman he was a model. As a minister he was devout, painstaking and always interesting. He was a student and the people enjoyed the full benefit of his abundant labors in the realm of learning and in the great field of literature. He was delighted at an opportunity to serve others. He was profoundly respectful to those in authority—genial and affable with his equals and considerate and careful of the feelings of his younger brethren.

Brother Timmons was a gentleman of the highest type and every one was at ease in his presence. He was a model in his home as a husband and father.

His was a fruitful ministry. The hundreds who were converted under his ministry and the thousands who have been under his pastoral care, will ever hold him in grateful remembrance. We miss him here and the brethren mourn his absence, but we are satisfied that his sorrows ceased when his sufferings ended and that God has wiped all tears from his eyes.

The Conference extends to his wife and children, brotherly condolence and loving sympathy in the loss they have sustained.

L. M. FOWLER,

Chairman Committee on Memoirs.

## MEMOIR OF H. C. PRITCHETT.

Prof. Henry Carr Pritchett was born Aug. 12, 1852, was graduated from the Pritchett Institute in Missouri about 1872, came to Texas in 1878 and took a position as Professor in Coronal Institute in San Marcos, and soon thereafter was elected to the chair of mathematics in the Sam Houston Normal Institute in Huntsville. He was afterward elected to the position of Superintendent of Public Instruction in the State of Texas, from which position he resigned as the result of his appointment by Gov. Hogg to the Presidency of the Sam Houston Normal Institute, about

1893 or 1894, which position he filled till his death in May, 1908. Such are the bare outlines of the life of one of the most useful and efficient men in the recent history of the State of Texas, and especially of the history of the Christian Church in the State. Identified with, and specially loving the Methodist Church, his manhood was broad enough to see the Church of Jesus Christ just as truly in the other churches; and with his life consecrated to the service of the Lord Jesus and the establishment of His Kingdom in the world, he was quick to discern the Spirit of the Master in any of them and certain to lend a helping hand to every cause that looked to this end. He felt that whatever concerned a human being concerned him, and he saw therefore the significance of the Master's command to "Preach the gospel to every creature," and knew that everything that concerned man's well being, physical, intellectual or spiritual was not only covered by but included in this command. He was therefore interested, and very much interested, in whatever looked to the well being of mankind—not less their physical than their mental and moral well being.

He was a man who, as I once heard Bishop Marvin express it, had learned to "think in circles rather than along lines," and hence he was never an extremist. The thought of fanaticism would never occur to any one, who knew him, concerning anything with which he was connected. He was eminently sane in everything, and yet I have known few men in my life who had the ability to inspire enthusiasm among those with whom he worked to the extent that he had it. He was interested himself in whatever he undertook and his enthusiasm was contagious; but he also had the ability to awaken it even in those who seemed not to have any at all, and this was so along all the lines of his activity, whether in the work of the church, the school or the State, the results of his efforts among men were the same. In all these councils, for he worked in them all, the same results of his life are manifest.

He was a man of clear, broad view, and a big warm heart. Nothing little ever entered, or at least, was allowed to remain in him, and he was a stranger to the selfishness that would look to his own preferment above his fellowmen. Like every man who has it, he was conscious of his own superior ability and he did not hesitate to accept the place of leadership when it came to him. He was not crippled by a false modesty, rather a timidity so often falsely so-called, nor was he hindered by that itching to be in the "public eye" that is so characteristic of smaller men.

He fully appreciated the time in which he lived and its great opportunities and gave himself to taking advantage of them that he might thereby glorify God in his life. Forgetting the things behind, he pressed forward, reaching after the things that are ahead, that he might help men to see, as he saw them, the great privileges that are theirs as the result of God's great love as it is seen in the Savior's granting to men the "power to become sons of God."

He had filled well-nigh all the offices that are open to laymen in the church, and in its conferences, church, quarterly, district, annual and general his council was always timely, conservative, wise. He was a man whose intelligent study of the sacred Scriptures rendered him remarkably efficient, whether as a teacher in the Sunday School, in the college or on the platform, for he sometimes preached a lay sermon. He had the power of interesting those to whom he spoke on the Scriptures in a remarkable degree, and his talks to the students who have been under him in the Sam Houston Normal, at the morning chapel services, especially his comments on the text as he would read the morning lesson, were frequently marvels of spiritual insight into meaning of the Word. It will take the revelations of the eternal world to tell the extent to which he influenced for good the lives of many of those who heard him.

In any right estimate of the man, the breadth of his charity can not be overlooked. He was not only not envious, he was in no sense of the world censorious at any time. When others would blame he would palliate and defend; and no man, I suppose, not even his most intimate friend, knows the number of young men and women whom he has enabled to finish their education. God knows, even though Brother Pritchett himself has forgotten, some of them.

In his personal life he was true to God and therefore he was true to his fellowmen, and hence he was pure in thought and in speech. He was loyal in all of his relationships in and to his home, and he was a recognized leader in every community in which he lived. One little incident will illustrate the truth of the statement just made about his home life. I had been to see him just before he died and was returning from his sick room when his old janitor stopped me and said: "How is he?" I answered, "He is a very sick man." The old negro turned away and said, "He's de best friend I got in the world." So he was thought of by many whom he had employed. One of his brothers said to me: "He was my brother and as such I loved him, but he was also my friend. I never had a truer friend, nor one whose candor I felt was truer." His friendship was of that kind upon which you could lean with confidence, and it was not subject to changes of time, place or petty conditions.

He chose as his life work the cause of education, and in it he labored with a zeal and an intelligence that were marked and noticeable, and that did not fail of results for good. Many things in the State now bear witness, and especially many of the teachers now at work in the cause bear a willing testimony.

He was a great believer in and advocate for Christian education. He believed in and supported with his councils and his money the cause of Christian education from the standpoint of denominational schools, but he had no sympathy with the thought that it was only possible in denominational schools. He believed that the greatest

factor in Christian education was the Christian teacher, and in his own work as the president of a State school he demonstrated the efficiency of his faith as well as its correctness. He greatly deprecated the efforts of some good men to show that Christian education was impossible in State schools. The predominance of Christian ideals in the State, he felt, ought to and would show itself in its schools as well as in its laws and their administration, and to the realization of this view he addressed his devoted life with an earnestness that was felt and recognized by all who knew him, or who came within the reach of his influence.

His coadjutors in the Huntsville Quarterly Conference which met not long after his death, in their memorial resolutions, said: "His one consuming purpose was to follow in the footsteps of Him who said: 'I am the way, the truth and the life.' To him, a life of loyal, devoted, Christian service was the true life. To know his duty was, for him, to do it. He was great in intellect, great in truth, but greatest of all in love. Like Abraham, he was the friend of God, and we rejoice in the revelation that death is not the closing, but the opening of a door; not the end of a life, but a mere incident in a life."

While from the standpoint of human judgment only, we could be tempted to feel that the Texas Conference and Methodism—yes, the church at large—has sustained an irreparable loss in his death, yet we know that the good that men do lives after them, and that the God whom he served and who guided him in his work, cares for the world with the same love which led him in his work, and so we rejoice in this transference to a higher realm of love and service, and that heaven has been given, for us who remain, another attraction. God buries his workmen but carries on His work. How many illustrations of this truth have we seen in our short lives?
